Mission plans for ASPECT 8 Sept 2017 will consist of surveying specific targets in the Beaumont, Port Arthur, and Orange areas. A target deck and flight lines for this area is attached. Once these lines are complete the aircraft will begin collecting data for zone 9.

Once complete targets in Zone 9 (attached zone map and flight lines) will be flown consisting of:

NPL = 3

RMP = 21

DW = 79

WW = 29

It is anticipated that ASPECT will fly two missions today.
